

ANSWER TO REVIEWERS

#Introduction

1. Thank you for your comment, I have implemented the suggested correction
2. Thank you for your comment, I have implemented the suggested correction
3. Thank you for your comment, I have implemented the suggested correction
4. Thank you for your comment, I have corrected as “beam test”, since it will be used in the rest of the text

#Section 2

5. Thank you for your comment. This sentence was referred to the inclusive and semi-inclusive deep inelastic scattering (DIS), where the scattered lepton or the scattered lepton and the hadrons are detected, and the exclusive processes where all the particles in the event are detected. I pointed out this information in the text.
6. Thank you for your comment, I have implemented the suggested correction
7. Thank you for your comment, I have implemented the suggested correction

#Section 6

8. Thank you for your comment, I have implemented the suggested correction
9. Thank you for your comment, I have implemented the suggested correction

#Figure captions

10. Thank you for your comment, I tried to make it more clear
11. Thank you for your comment, I have implemented the suggested correction
